

Safer California 2020

A Conference To Promote Unintentional Injury Prevention For Children and Youth

Purpose: To increase success and action at the local community level across California, and to help end unintentional injury as the leading cause of death and hospitalization for children and youth through age 19.

This conference is a priority action item from the CA Unintentional Injury Prevention Strategic Plan Project.

When & Where: November 17 and 18, 2020 in Sacramento, CA at the Double Tree Hotel.

Who: Anyone working on children and youth unintentional injury prevention at the local and state level in California (e.g. teen driver safety, child passenger safety, drowning, sleep suffocation, poisoning, burn/fire safety, window falls, sports related concussion safety, kids left in vehicles, driveway backovers, Safe Routes to School, and more).

Lead Organizations: California Coalition for Children's Safety and Health is partnering with its many stakeholders and the California Department of Public Health, Injury and Violence Prevention Branch, Kids' Plates Program.

How to Register or be Involved: On-line registration coming soon. To be involved or learn more contact Catherine Barankin, Executive Director cbarankin@aol.com or Steve Barrow, Program Director CCCSH scbarrow88@gmail.com.

This conference is supported, in part, by the California Department of Public Health with funding from the Kid's Plates Program.
