

California Coalition for Children's Safety and Health

As part of the California Unintentional Injury Prevention Strategic Plan Project (Safer CA) CCCSH is hosting 15 Technical Assistance and Training Zoom style seminars in 2024.

The purpose of each seminar is to help local coalition and program leaders:

- Increase their knowledge about what research is telling us regarding prevention best practices.
 - How and who to network with on each issue to strengthen local, regional, and state support for prevention activities on the issue.
 - Where to tap into the latest data and research.
- And
- How to be involved advancing injury prevention beyond your community programs.

To register for one or all of the seminars and topics either email scbarrow88@gmail.com or ([Click on Safer CA Seminars Here](#)).

To contribute to support these seminars - If you can make a \$25 or other donation to support these training seminars ([Go here to make a donation through PayPal.](#)) or mail a check to CCCSH, 428 J Street, Fourth Floor, Sacramento, CA 95814.

If you cannot make a donation, register anyway, attend the seminar, and use the information and knowledge gained to help save a life.
